

Position Description

Title	Video Editor
Reports to	Chief Video Editor
Status	Casual
Salary	Modern Award
Hours	Minimum 6 hours per week

Position Purpose

If you are passionate about a career in the Sport or Media industry and want to join an innovative technology company, this is the job for you.

The Video Editor role will take video produced by the Sports Journalist/Statisticians and edit it into a single professional video.

The primary focus of the role is to ensure all media produced for their competition is professional and published via the sporting competitions designated iOS & android App and other social media platforms.

Responsibilities and Duties

During the course of a season the Video Editor will be responsible for:

- Manipulating and editing video to a professional standard in a way that is invisible to the audience
- Trimming footage segments and putting together post-match videos
- Inputting music, dialogues, graphics and effects
- Creating rough and final cuts
- Consulting with Chief Video Editor from production to post-production process
- Publishing media content

Key Selection Criteria

The key selection criteria specified below outline the capabilities required for the position.

- Basic experience in video editing and editing software
- Good problem solving
- Good written and verbal communication skills
- Understand Australian Rules Football
- Flexible
- Creative
- Reliable
- Ability to follow instructions
- Team player
- Own computer
- Punctual

Expression of interest

Expressions of interest can be made by emailing your resume with cover letter outlining your experience specific to the Key Selection Criteria to admin@completesportsmanagement.com.au.
